**Subject: IUCAA Centre for Astronomy Research and Development (ICARD)**

Dear Dr. Jacob,

Thank you for accepting our invitation. Your Department is now an IUCAA Centre for Astronomy Research and Development (ICARD) from March 31st 2019, with you as its coordinator.

We look forward to your proposals to hold Astronomy related events, which you may send to me with a description and a budget. There is no prescribed format for such proposals, which need to be approved by the IUCAA's Meeting Committee or the Dean, VAP. Upon approval, you may request IUCAA to advance you a sum not exceeding 80% of the sanctioned budget. Utilization Certificate for each such event has to be sent separately.

If you plan to hold smaller events like seminars, IUCAA may advance you Rs. 30,000 for such activities. Please send me a request if you would like to get this advance. Utilization Certificates for these smaller activities may be sent collectively before February 2020. However, a proposal for each of these smaller activities will need to be sent to me and will be required to be approved by the Dean, VAP.

Looking forward to working together with you to promote Astronomy.

with regards,

  
**Ranjeev Misra**
