ORGANISATION AND MANAGEMENT

The college has a well-defined structure with the governing body at the helm of affairs. The Patron and the Manager are the guiding forces in the running of the institution. The various academic and non-academic activities are planned and co-ordinated under the overall supervision of the principal. The principal is advised and assisted by the College Council. The non-teaching staff work under the direct supervision of the principal to discharge the varied services to the teachers, the students and the general public. Different committees of staff members facilitate a collective working environment in the college. Besides, certain academic and administrative powers are delegated to all the department heads. Periodic meetings of the Principal with HODs are convened to take stock of the overall situation.

COLLEGE COUNCIL AND GENERAL STAFF MEETINGS

The College Council is the highest advisory body as far as the internal administration of the college is concerned. As many as 10 meetings of the council were held during the year. There were many occasions which required the council to advice and support the principal for the smooth running of the institution. The council discharged its duties in full conformity with such requirements. Dr. Jenni K. Alex, Department of Economics functioned as the Secretary to the Council.

Apart from the College Council, general staff meetings were also a great source of help for the administration. The Patron, Mar George Madathikandathil, Rt. Rev. Msgr. Frequent staff meetings of teaching and non teaching staff, open discussions have always helped improving the atmosphere on the campus.

INTERNAL ACADEMIC AUDITING

The IQAC and college management prepared and distributed an Academic Performance Appraisal format to all regular teachers and non teaching staff and evaluated

their performances. The performance appraisal of teachers by the management committee and students are conducting every academic year. Such an exercise becomes very essential as the quality of education largely depends on the performance of teachers. The Corporate Educational Agency distributed a self-appraisal format to each teacher. The management committee evaluated each such form and suggested corrective measures, if needed.

On the other hand, students are also made to evaluate their teachers online. Each teacher is evaluated by the students on a 10point scale on the basis of 10 indicators. The students are also made to offer suggestions so as to improve the performance of the teacher. The score sheet is given to each teacher. These two initiatives have proved to be very fruitful in improving the teaching-learning environment in the college.

FINANCIAL MANAGEMENT

The financial management of the institution is done under the direct supervisions of the principal. As a govt. aided institution, the salary part of the regular staff is borne by the govt. For the purpose of developing physical infrastructure, the college is receiving grants from UGC. Its utilisation is monitored by various committees like Planning Board, Building Committee and Purchase Committee.

INTERNAL QUALITY ASSURANCE CELL (IQAC)

The Internal Quality Assurance Cell (IQAC) of Newman College was established on 30 June 2004 and it has become an integral part of the institution's system and work towards realizing the goals of quality enhancement and sustenance. Over the years, the IQAC has developed a system for conscious, consistent and catalytic improvement in the performance of the college, evolved mechanisms and procedures for ensuring that the objectives of the IQAC as envisaged by NAAC are met and has made a significant and meaningful contribution towards channelizing efforts and measures towards academic excellence.

The IQAC of the College coordinates all quality-related activities by developing an organized methodology of documentation and internal communication. It works to enhance and integrate the various activities of the College and to ensure the adoption and dissemination of good practices. The IQAC spearheads the conduct of the internal and

external Academic Audit of the departments, which promotes quality, accountability and transparency. Such Academic Audits foster healthy competition among departments and sharing of good practices. FUTURE PLANS

Having reaccredited at 'A' grade by the NAAC with a relatively high score of 3.32 out of 4, the college is all set to enter the next phases of its growth, namely the Centre with Potential for Excellence (CPE) status and autonomous status. If the extent of commitment and team spirit displayed by the staff and students during the re-accreditation process is any indication, these goals are not distant dreams. The college is marching ahead in that direction. The other future plans include:

1. GATEWAY FOR THE COLLEGE

We propose have a new gate way to the college by expanding and modifying the existing one. We plan to modify it by expanding the vehicle runway and pedestrian's path. As the Govt. of Kerala have issued an order No. 26433/G1/15/H.Edn. dt. 12-10-2015 which clearly stipulates designated parking area for students' vehicles, the parking area is proposed to be developed at the right side of the proposed gate.

2. NEW ADMINISTRATIVE BLOCK USING RUSA FUND

RUSA government agency has allotted 2 crores for infrastructure development and renovation. The college has decided to build a new academic block connecting the existing office block with the commerce department.

3. AUDITORIUM RENOVATION

We have decided to make necessary alterations to the college auditorium to make it sound proof. We also intend to expand the stage and furnish it properly to facilitate the staging of various programmers.

4. CLASS ROOM MODIFICATION

We are planning to convert all PG class rooms into Smart Classrooms by furnishing it with projector screen, microphone and speakers. We hope these can facilitate ICT enabled teaching learning activities.

5. GUESTROOMS

Many eminent scholars are frequently visiting the campus for academic purpose. There is no proper resting place for them. Therefore, we planned well-furnished guest rooms.

6. OFFICE BLOCK MODIFICATION

The Expansion of the Office block is a necessary thing to be done. We would like to extend the room provided for IQAC cell, along with a computerized office system, Exam monitoring section and an additional seminar Hall.

7. OPEN STAGE AND ART GALLERY

The College is a center of many cultural/literal/theatrical activities. The present infrastructure is not enough to conduct all the cultural events. So we are planning to build an open stage to enhance these activities. The college also plans to set up an art gallery for students/teachers who can draw, paint and sculpture.

8. AUTONOMOUS STATUS

The ultimate aim of the college is to attain the status of an Autonomous college.
